Brittany was born and raised in Jacksonville, Florida. She started her cheerleading career with Infinity Allstars at the early age of 10 years old. From there, she continued cheering with Infinity Allstars and throughout high school, which lead her to the opportunity to cheer collegiately for the University of South Carolina. Following her time at USC, she went on to cheer professionally for the NFL's very own Jacksonville Jaguars. As a driven female athlete herself, Brittany has a passion for empowering athletes and teams to become the best they can be. She is excited to unite with the Northeast and elevate the region by providing teams with the highest quality and technologically-advanced Nfinity gear, designed specifically for athletes' needs!
